January 2014

Dear Retired Member,

As we have done in the past and will continue to do in the future, the Executive Board and I are always looking for ways to improve your benefits.

I am pleased to announce that effective January 1, 2014; we have upgraded the dental program for our retirees residing in the State of Florida. The new plan is the **Healthplex America S200 Plan**, underwritten by Solstice Benefits, Inc. This plan offers an open access network, meaning you can go to any of the over 1,800 network Dentists with no need for pre-selection of a dental office. In addition, the entire family is not obligated to use the same dentist. This open access to network dentists will provide greater convenience, reduced co-payments for most services, as well as increased coverage of dental procedures.

Specific upgrades include:

- Reduced co-pays for many services including root canals and crowns.
- No fees for denture adjustments if made within 12 months of receiving the new dentures.
- When traveling outside of the State of Florida, members are entitled to up to a \$100 reimbursement for emergency care. An emergency referral must be obtained prior to treatment.

As the network of providers continues to change, please visit the Healthplex America S200 website at www.yourdentalplan.com/healthplex for the most updated listing.

If you have any questions regarding the new S200 Florida program, please call the Member Services Department at 1-888-200-0322 and state that you are an enrollee in the S200 plan.

Fraternally,

Stephen J. Cassidy
Chairman
